

PA3632-39

Patron Access Stations

Single PAC Workstation. Ideal for viewing material in electronic format, these units are designed with plenty of space for monitor, keyboard, CPU or printer. Units are 30"D overall. Includes a top shelf for monitor, an 11"D Keyboard Shelf, and a 17"D bottom shelf that can support a CPU or printer. All shelves are fixed. Workstations feature plastic-capped grommets and wire management troughs to control cords.
