3205

Modular

This line is designed to mix and match creating a layout that fits your space and the way you work. Once you have decided a layout, give us a call and we will put a 3D drawing together with your room dimensions allowing you to fully see your area come together.

General Line

There is more to an office than just the desks. This is where you need those finishing pieces, coffee cart, machine stands, mail organizers and more.

9600 Custom

Create the exact pieces or color for your environment. We will work hand in hand with you and your sales representative and together we will design and quote the perfect layout to compliment your surroundings.

3000 Corner Configuration

MPED

MMS

Modular

With 30" deep desks you can have the space needed to spread out for those bigger projects. The 24" depth is ideal when room space is limited. These desks are stocked in five colors for quick shipping.
